

# The Auto Retail Industry Salary Survey 2009

The **rts** Auto Retail Industry Salary Survey 2009 is the definitive guide to wages and salaries for franchised dealer staff. Produced together with Auto Retail Network, and in association with **rts**, the Salary Survey 2009 focuses on the franchised retail trade, reporting wages and salaries for 20 job functions across nine UK regions. The **rts** Auto Retail Industry Salary Survey 2009 is presented as an A5-sized report complete with Motor Trade Selection's 'Broad Spectrum' Guidelines (in manual form and as a 'quick calculator' on CD - sent to purchasers by post together with the hard copy report). This unique tool helps you to fine tune total salaries for six management positions: dealer principals, accountants, sales managers, service managers, parts managers and bodyshop managers.

You can order your copy of the **rts** Auto Retail Industry Salary Survey 2009 right now online for £199 + VAT and download the PDF version immediately. We will then post you the hardcopy report complete with the CD of Motor Trade Selection's 'Broad Spectrum' Guidelines.

If you are a member of Auto Retail Network, the RMIF or the SMTA, you are entitled to a member's discount of 25% making the price only £149 plus VAT.

**£199 plus VAT**

The special offer to members of ARN, RMI or SMTA includes 35 job descriptions (worth £99.95) bundled with the CD.

Also available are individual job pages from the Salary Survey 2009 from £10 + VAT.

These are downloads from our website only - [www.trendtacker.co.uk](http://www.trendtacker.co.uk) - and are complete with a job description if applicable.
