Section 1 – Preface	1
About Trend Tracker Limited	1
The Car Service and Repair Trend Tracker Reports	1
The Market for Car Servicing, Maintenance and Repairs	2
Primary and Secondary Research Sources	2
About Lake Research	3
Other Data Suppliers	3
Copyright Warning	3
Section 2 – Introduction to Castrol Professional	5
Section 3 – Executive Summary	11
Section 4 – Market Background	13
The UK Economy	13
• Liquidity crisis	13
• Recession	13
• Stagflation	14
• Rising fuel prices	15
Real World Economy	16
• Average earnings	16
• Unemployment	17
• Consumer confidence	19
Car Ownership Trends	20
• Households and car ownership	20
• Reliance on cars	20
• Driving licence holding	21
Demand for Cars in the UK	17
• New and used car sales	21
• Size of the car parc	22

Section 4 – Market Background cont . . .

Factors Influencing the Market for SMR	24
• Complex influences	24
• Annual mileage	25
• Technical sophistication	26
• Improving build quality	26
• Service intervals	27
• Reduced service content	28
• Warranties and service plans	28
• Service and repair labour rates	29
Aftermarket Legislation and Voluntary Regulation	30
• The European Block Exemption Regulation and EU Regulation 461/2010	30
• UK aftermarket consumer protection regulation	31
• Vehicle inspection regulation	33
• The impact of legislation on market competition	34

Section 5 – Market Size and Trends **37**

Market Sizing	37
Market Size and Trends	37
Market Volume Trends	40
Value, Volume and Average Cost	42
• Market for routine servicing	42
• Market for mechanical car repairs	42
Spend per Car	43
Service and Repair Frequency	45
Business/Fleet SMR Value and Volume	46
• Business/fleet routine servicing	46
• Business/fleet mechanical repairs	47
• Business/fleet total value and volume	48
• Other business/fleet considerations	49
Labour and Parts Expenditure	49
Road Vehicle Testing Scheme (MOT)	51
Total Market Value Including MOT Testing	51

Section 6 – The Servicing and Repair Supply Structure	53
Number of Sites	53
• Secondary market players	54
Independent Garage Workshops, Fast-fits and Autocentres	55
• Branded independent workshops	56
Franchised Dealers	56
• Dealer groups	57
• Authorised repairers	58
• Manufacturer fast-fit programmes	59
• Number of franchised workshops	60
Market Shares by Provider	61
Section 7 – Servicing Retention	63
Introduction	63
Lake Research Output for 2010	64
• Analysis of marques with smaller car parcs	65
• Shortlist	65
• Servicing retention by car age	68
Summary Tables	69
Overall Weighted and Un-weighted Performance	72
Total Sample	73
• Weighted average servicing retention trends	73
• Car parc segment trends	74
• Four-year sample trends	74
• 'Not yet serviced' trends	75
Change in Total Sample Parc Average Ages	76
New Research on 'Not Yet Serviced'	77
Where Last Serviced	80

Section 7 – Servicing Retention cont . . .

Servicing Retention Trends by Marque	82
• Citroën	82
• Fiat Group	84
• Ford	86
• Honda	88
• Nissan	90
• Peugeot	92
• Renault	94
• Rover	96
• Toyota	98
• Vauxhall	100
• Volkswagen	102
• Volvo	104
• Other German	108
• Other Japanese	
‘Not Yet Serviced’ Trends by Marque	110

Section 8 – Retention of Servicing, Maintenance and Repairs 119

Introduction	119
Basis of Repair Data	120
• Sample sizes	120
Having Work Done in the Last Month	121
Work Done by Vehicle Make	122
Where Work Done by Make of Car	124
• Comparison with servicing retention	125
Where Work Done by Age of Car	125
Work Done by Age of Car	127
What Work Done and Where	128
• Type of work done by provider	129
• Comparison of players	132
• Market shares of volume by provider	132
Lake Research Output for 2010	133
• Analysis of marques with smaller car parcs	134
• SMR retention by car age	135

Section 8 – Retention of Servicing, Maintenance and Repairs – cont . . .

Type of Work and SMR Retention by Make	135
• Citroën	136
• Fiat Group	138
• Ford	140
• Honda	142
• Nissan	144
• Peugeot	146
• Renault	148
• Rover	150
• Toyota	152
• Vauxhall	154
• Volkswagen	156
• Volvo	158
• Other German	160
• Other Japanese	162

Section 9 – Strategic Outlook and Forecasts 165

The UK Economy and Economic Outlook	165
• Effect on the market for car servicing and repairs	165
• New car sales	166
• Four-year car parc	167
Factors Influencing the Future of the Market	168
• Some basic assumptions	168
Service and Repair Market Forecast	168
Market Players	169
• Franchised dealer networks	169
• Independent garage workshops	171
• Fast-fit chains	171
• Non-franchised garage chains and autocentres	172
• Mobile services	172
Castrol Professional Insight	173
Market Shares by Providers Forecast	174

Section 10 – Appendix

Appendix – Executive Summary PowerPoint	175
